

Board Meeting - continued

The Superintendent of Business and Treasurer will ascertain when the Regional Director of Education will be available to meet with the Nakina Public School Board and this Board.

Because neither the Management and Personnel and Finance Committees held meetings on March 19th, no reports were made to the Board.

The School Year Calendars for 1977-78 were discussed and approved, with amendments.

Mr. M. Tremblay, Ministry appointed Liaison Officer for this Board, was introduced to the Trustees by the Director. Mr. Tremblay outlined what this role will cover. The Chairman thanked him for his presentation.

It was noted that two submissions have been made to the Ministry on behalf of this Board re: Experience '77.

The following motions were passed:

The resignations of Mrs. L. Chicoine, 1/2 Time French teacher, Holy Angels School, and Sister P. Hatfield, Remedial teacher, Our Lady of Lourdes School, were accepted with regret, effective 1977 08 31.

The Board give permission to the Grade 8 pupils of St. Edward's School for an excursion to Toronto, during the period April 24-29, 1977. It is the policy of The North of Superior District R.C.S.S. Board that administrative and supervisory positions be equally accessible to men and women.

The Director advised that the Knights of Columbus Essay Contest will be completed in the near future and that a report will be forthcoming.

Staffing requirements for 1977-78 were reviewed.

The next regular meeting of the Board will be held on May 21st, 1977 at 10 a.m. with the location yet to be named.

THEATRE LAB ENJOYED BY ALL

On April 14th, the Lake Superior Public School in Terrace Bay and Schreiber invited the staff and students from St. Martin's and Holy Angel's Separate Schools to enjoy performances of Aladdin and His Magic Lamp. Actors from the Studio Lab Theatre working out of Toronto were in Terrace Bay in the midst of a twenty-two stop tour.

Aladdin and His Magic Lamp is a rock musical for children with adult actors. At one point during the performances several grade two students were invited on stage to assist one of the actresses only to be frightened away by the fierce looking village policeman. The performances in Terrace Bay and Schreiber were thoroughly enjoyed by the staff and students alike.

The Studio Lab Theatre operates under grants from the Ontario Arts Council. Apparently the availability of grants next year is doubtful at this time. Letters to the Council encouraging the promotion of groups such as the Studio Lab Theatre would be directly beneficial to communities such as ours. Letters to the Arts Council should be addressed to: Ontario Arts Council, 151 Bloor Street West, Toronto, Ontario M56 1T6
