IF YOU HAD \$25,000 TO SPEND, THINK OF THE POSSIBILITIES!

Home renovations, a new car, a camper or maybe a dream vacation—all sorts of possibilities! Now, H.F.C.'s second mortgage loans can turn those possibilities into realities. That's right. If you're a homeowner, you could borrow up to \$25,000 based on the equity you've built up in your home over the years. We could arrange or renew a second mortgage without disturbing your first mortgage interest rate. Up to \$25,000! That's a lot of possibilities.
