SCHOOL NEWS

SCHOOL DANCE:

Who says the High School can't put on a successful dance? The Dance on Saturday night (April 30th) was one of the most successful in recent memory. Not only was there a good turnout, but there were no "incidents" whatever. New dance rules that went into effect for this dance, including a rule that only students currently enrolled may attend, contributed to this success, but the cooperation of all the students was the main reason. Congratulations to the Student Council organizers: Susan Barnett, Bonnie Culverhouse, Judy Farrell, Marcel Gelineault, Cathy Lang, Mary Pluta, Valerie Stortini, Georgina Wood and Deanna Zroback.

CHESS CHALLENGE:

The first annual Lake Superior Chess Challenge was concluded at Lake Superior High School, Terrace Bay Campus on Saturday, May 7th. The first round was played the previous Saturday in Manitouwadge. The team from Manitouwadge High School took both the tournament trophy and the top player prize. To page 13..
