IN MEMORIAM:

In loving memory of our beloved grandfather Thomas Michael Bolan who passed away May 19, 1976.

Things we feel so deeply
Are the hardest things to say
Dearest Gramps we love you
in a very special way
If we could have one lifetime wish
One dream that could come true
We'd pray to God with all our hearts
For yesterday and you.

Granddaughters: Lenore Mallais, Terrace Bay; Maureen, Laura & Rhonda Campbell, Mississauga, Ontario.

Why does he bring his savings to us?

Well, they're all the same aren't they? A bank is a bank. But then maybe there's something to the idea that the older an outfit gets the better it gets. Like, every time I visit a Bank of Montreal - and they're everywhere - I can see that the tellers all went to the same school. They know what they're doing, they don't keep me waiting in line and when it's my turn, they're pleasant and efficient.

Deposit something - or open a savings account this week - and prove to yourself how good it feels to do something really sensible with your money.
