## YOUNGER LOOK FOR DRY SKIN!

Dry skin is an awful liar! It makes any woman look much older than her real age. When you rid your face of skin dryness and its deceitfulness, you immediately look younger than your birthdays are even willing to admit. If your skin is really dry and flaky, and uncomfortable under make-up, take immediate steps to raise its

moisture level and lubricate its surface effectively. Then, reappraise your appearance. For un-failing results, COCRÉMA Dry Skin Crème actually disposes of dryness symptoms with two or three all-night applications, while you sleep. COCRÉMA contains the purest grade of select cocoa butter. AVAILABLE AT:

**WAGHORN'S PHARMACY**
