## KINSMEN CLUB OF TERRACE BAY INC.

### *Donate to St. John's Ambulance*

The Kinsmen Club of Terrace Bay presented to the Terrace Bay St. John Ambulance Cadet Division #706 a RESUSCI-ANNE doll which is used to demonstrate the proper method of mouth to mouth resuscitation. The funds to purchase the Resusci-Anne were raised through ticket sales on an Arctic Cat snow machine, this past winter.

The Kinsmen Club would like to thank the people of Terrace Bay for their support. With the donation from the Kinsmen Club of the Resusci-Anne, Commander Ed Trapp stated that the St. John's Ambulance hopes to hold a town wide (Save A Life) program for the public in the near future.
