Representatives of the Federal Business Development Bank have been conducting advertised visits to smaller communities for a number of years in an attempt to make businessmen aware of the Bank's activities and services. These officers are now repeating an experiment undertaken in 1975 to bring information to communities such as ours by way of a mobile van. During the week of June 13th representatives of the Bank from the Thunder Bay office will be visiting Manitouwadge, Marathon, Terrace Bay, Schreiber, Nipigon, Geraldton and Longlac. The visits to these communities are intended to familiarize interested persons with both the Bank's Management and Financial Services which include providing information on Government programmes, counselling assistance to small enterprises, information on Management Seminars and financial assistance by way of term loans and equity financing. The Bank invites you to visit the van and obtain further information on any of the above mentioned programmes. The van will be in Terrace Bay on the 13th day of June, 1977 from 7:00 p.m. to 10:00 p.m. and in Schreiber on the 14th day of June, 1977 from 9 to 12 noon.
