

LOOKING BACK

25 YEARS AGO - JUNE 5, 1952

Mr. and Mrs. Art LeBlanc celebrated their 22nd Wedding Anniversary on June 4th. Congratulations folks, and sincere wishes for many, many more years of happily married life.

The Townsite and local adjoining district is fast becoming a high class Zoo, according to what we hear. Georgina Balderstone reports having spotted a nice little bear just off the Highway last night (the bear reports no ill effects) and Glenna Coughlin advises that a fair sized moose and calf passed through Joe Kennedy's back-yard not long ago (Murdo Campbell sez: "I don't blame the animal for just passing thru!")

Poor old George - got himself into a jam. Will he or won't he get out of it? To see how he solves his problem come to the Recreation Hall on June 19th or 20th and see "George In A Jam".
