

**LAKEHEAD SCHOOL OF HOCKEY: Cont'd from pg. 5**

Aside from the more than three hours of ice time daily, a full field program headed by Sam Walter and his staff gives special instruction in off-ice activities geared to hockey. Hockey films and the video-tape analysis is shown at this time. The school is the only one locally having its own video machine.

This year the school operates out of the Port Arthur Arena. The first two-week session is from July 25th to August 6th. The second session August 8 - 20th is sold out and has been for nearly a month. Word of the new program must have gotten around quickly because the second session from August 8 - 20th filled up faster than in any previous year.

With instructors like Mike Masik, Max Mekilok, the Fogolins, Siciliano, Larry Krawchuk, Ian MacRae, Barton Bradley, Dan Walter, Ab Slivinski, Kenny Clifton, Tinker Mithrush and Dave Fitzpatrick with some other instructors possible, all excellent teachers of hockey. With a staff like that, it's not only the most complete school in the city but one of the very best in North America. Those wanting a brochure can pick one up at most sporting goods stores or write Box 522 (F). Direct information can be obtained by calling 577-9371 or 622-9079.
