MY MESSAGE TO YOU . . .

The program I have outlined can be carried out with hard work, desire and sincerity. I am young and enthusiastic and will work hard for the people of the north. As a former Municipal Councillor I am fully aware of the problems that we are facing in our daily lives.

**LET US GET SOMETHING
DONE FOR THE NORTH**

With the possible separation of Quebec we need unity to keep Canada together. We need elder statesman like Bill Davis to represent Ontario in our dealings with Quebec.

**PLEASE HELP ME SO
THAT I CAN HELP YOU**

**PLEASE HELP ME SO THAT I CAN HELP YOU
LETS KEEP CANADA TOGETHER**
