TIRES ON SALE

FOR THE MONTH OF JUNE ONLY

# we've got your tire, and more...

A steel belted radial built to exacting original equipment specs and the wide, all-belted construction of the Silvertown O.E. offer long lasting value and economy.

Lifesaver 78  
Steel Belted Radial

Silvertown  
Belted O.E.

### Lifesaver '78

A 78 series steel radial designed to meet original equipment specifications set by General Motors. Two full steel belts provide impact and bruise protection and a strong polyester cord body gives a smoother ride. Innovative tread design provides excellent traction and stability on wet and dry surfaces.

### Silvertown Belted

Here is a good buy for a great tire ... the B.F. Goodrich Belted O.E. The 78 series Belted O.E. has a polyester carcass for a smooth ride and double fiberglass belts for long wear and extra strength. There is a B.F. Goodrich Belted O.E. in a size to fit your car.
