

STATEMENT BY JACK STOKES, M.P.P. FOR LAKE NIPIGON RIDING CONCERNING SENIOR CITIZEN HOUSING FOR THE TOWNSHIP OF SCHREIBER:

I am pleased to advise that approval has been given by The Ontario Housing Corporation to purchase a municipally owned property for the development of 25 senior citizens units in the Township of Schreiber.

As soon as all site details have been made the Corporation will arrange for the preparation of preliminary architectural design plans.

It is hoped that tender calls will be made in the late summer or early fall.

Mr. Filane paid tribute to the executive who had supported him, the coaches, the mothers of the players and other supporters who had provided the banquet, and served it - Ruth Hiller, Betty Klassen, Anne Johnson, Josephine Commisso, Muriel Walton and Linda Figliomeni.

Special appreciation was paid to Borden Ross whose interest in hockey began as soon as he could skate and continued since, as a player for many years, coach, referee, and now lending a hand when needed with these young players.

SOCIAL: Canada's Oneness Heart Coast to Coast relay runners were joined in Schreiber by Bill Smilsky, Lon Connelley and Darcy Furlonger who ran with them to Jackfish. These are a group of young people dedicated to the brotherhood of man. The team from the west left Victoria on June 10th and they hope to meet with all the runners on July 1st in Ottawa.
