

LOOKING BACK

25 YEARS AGO - JULY 3, 1952

Last year, the Golf Driving Range was completed by some of Terrace Bay's civic minded citizens. They spent a considerable amount of time and effort (in conjunction with the Company, who contributed the materials and equipment) to get the Range into operation. This year the Committee hired an attendant on the basis of him keeping all receipts in return for his services. The prices were set at first 25 balls - 25¢, second 25 balls - 20¢ and all additional at 15¢ per 25 balls. However we are not getting enough participants to warrant keeping the Range open. The total receipts for Monday and Tuesday of this week were 95¢. That of course, is not enough to keep the attendant interested. Unless interest picks up we may be forced to close the Range. Come on swingers - get out there and swing....
