MOOSE LODGES COMBINE PICNIC

On Sunday, August 7th, Terrace Bay Lodge and Marathon Lodge held a combined picnic at Neys Park. Members from both Lodges and their families came out to participate in the events of the day.

For a change, the weather man co-operated, which helped make the day more enjoyable. George Tremblay of the Marathon Lodge was in charge of the sports programme. Races for children and adults, men's and ladies' tug of war and horse shoe tournaments were held. Some tried their skill at volleyball. Children played bingo and prizes were given for all events.

The Women of the Moose were in charge of the hamburgers and the hot dogs. Marcel Tardif cooked many corn on the cob in a large kettle. All in all the Moose picnic was a big success and a good time was had by all.

WOMEN OF THE MOOSE MEETINGS:

College of Regents chairman Alice Yates and her committee were in charge of the Chapter Night Programme in July.
