POLICE
DEPARTMENT**

POLICE REPORT - 20 to 25 SEPTEMBER:

During the period 20 to 25 September, members of the Terrace Bay Police Force were called upon to investigate fifteen occurrences.

On September 21st, a person was checked driving an overdue rental car from London, Ontario. The vehicle was seized by police and the driver charged with driving under suspension and possessing a drivers licence while prohibited from doing so. This subject was wanted by other police agencies in Southern Ontario and they have been notified of the arrest.

The discharging of firearms in the immediate vicinity of the Townsite is still a problem. On September 22nd, three municipal employees were forced to take cover in the vicinity of the cemetery when rapid small arms fire began hitting trees and branches in the immediate vicinity.

Police attended one disturbance call to a local drinking establishment, one male person was arrested on an outstanding warrant, two complaints of wilful damage were investigated and three charges were laid under the Highway Traffic Act of Ontario.

Nineteen charges will be heard in Criminal Court in Terrace Bay on September 29th.
