## HOSPITAL NOTES

## KINSMEN HELP

If you are passing by the future site of the McCausland Hospital - (on Cartier Road - across from the back of Birchwood Terrace) you will notice that the under-brush has been cleared.

The Kinsmen Club offered to do this and to those gentlemen who did the actual work we wish to say "Thank You". This is the "beginning".

In October the Public Relations section of the McCausland Hospital, along with the Building Fund Committee plan to distribute a brochure to every home in our hospital area. This brochure will outline the different departments and services in the new hospital and building fund total, costs to date and projected costs. We hope everyone will take the time to read this brochure when it is delivered to your home.
