**GUIDING NEWS:**

A recent visitor to the Girl Guides was Mr. Barry Snyder of White River, a biologist with the Ministry of Natural Resources. Barry took each individual Patrol on a short nature walk in the vicinity of the Scout Hall, picking out points of interest on the many plants, trees and mosses that grow there. A question and answer period followed. Barry is to be invited back later on in the season to talk on animals of North Western Ontario. This visit was greatly appreciated by the Guides and Leaders.

The Girl Guides have Regal catalogues available.
