It was reported that again the canvass for the Salvation Army had been most successful with the sum of \$827.55 being collected in Schreiber and Rosspport.

The children's Christmas party will be held on December 18th, in the hall with Charlotte Miller as convener - the lunch convener to be named later.

All members were urged to join the parade from the Legion to the cenotaph to attend the Ceremony on November 11th.

The risk free Overture Concerts method of establishing subscription audience concerts if used with excellent results in numerous other Northern Ontario locations including Geraldton, Timmins, Wawa, Chapleau, Dryden and Kenora. Terrace Bay/Schreiber now joins this successful alliance with Overture Concerts in becoming an important touring stop for numerous concert

artists crossing the country in each direction. Over seventy towns and cities across Canada have active Overture membership audiences.

The Terrace Bay/Schreiber group will conduct its membership drive for a full house at the Lake Superior High School, Terrace Bay campus from October 24 to November 4, 1977. Already there is enthusiastic response within the communities. All admissions to concerts in Terrace Bay/Schreiber will be by membership only. Sorry! No tickets will be sold at the door. • NEW RULES FOR T.O.P.S.

On Wednesday, September 28th, at the regular meeting of T.O.P.S. ON 1586, Schreiber/Terrace Bay, it was decided to stop memberships at 100. At present there are 95 active members. Anyone wishing to join after this will be placed on a waiting list, and they must have at least 15 lbs. to lose. Those having to lose more than 40 lbs. will have priority. All prospective members are to be advised of this rule. Persons wishing to join must have a Doctors goal slip before joining.

Former members, whose memberships have expired, will also be placed on the waiting list. It is to be suggested to all on the waiting list to start a new chapter if they so wish, as it only takes five persons to do so. Members of the ON 1586 are willing to give any assistance they may require.

All members will be required to pay the weekly dues of .25¢, regardless if they have been attending meetings or not. This rescinds club by-law #6, which states "Regarding back dues - in the case of a member returning after an extended absence, they will pay back dues for 6 weeks (\$1.50) plus any monies owed the month they return".

It was decided that effective immediately, those members who have reached K.O.P.S. status will no longer be required to pay weekly dues of .25¢.

Last month we celebrated our 5th anniversary. After the regular meeting, games were enjoyed, followed by a gift exchange. Members are now preparing for the annual rally day, which is being held in Thunder Bay on November 13th.
