DELEGATION ATTEND BOARD MEETING: From pg. 1 ..

A further explanation that Birchwood Terrace was not a Nursing Home with oxygen, therapy etc. nor was it an Extended Care facility such as Pinewood Court that has Registered Nurses, Registered Nurses Assistants and Orderlies on a twenty-four hour basis.

The next question was how the Board was appointed. The Chairman explained that five Board members were appointed by the sixteen Municipalities and two members by the Province for two year terms. A further question was how knowledgeable the Board was on the operation of Birchwood Terrace. The Board was able to explain that they were responsible for setting policies for both Homes and they were quite aware of their operations on their own assessment and information submitted by the Administrator.

Some of the questions centered on the termination in September of the Supervisor of Care Services. The Board explained that they had been made aware of the concerns of the Administrator as early as December, 1976 when probation was extended from three to six months. The Chairman also read a detailed report by the Administrator of the events leading up to the termination.

Mr. Daneff stated that from his knowledge of the problem there could be some criticism of the Administrator for the delay in making his decision. At 3:00 p.m. the delegation left and the Board began with their own agenda.

Operating accounts for Pinewood Court for August in the amount of \$95,374.02 and for September in the amount of \$98,098.79 and for Birchwood Terrace for August in the amount of \$8,880.27 and for September in the amount of \$27,140.46 were all passed for payment. Also approved when space is available were three Residents for Pinewood Court and four Residents for Birchwood Terrace. Approval was given to the termination of the Supervisor of Care Services with Separation Pay until September 10th, 1977.

The next item of business took considerable time from the Board. It was the change in the per diem rate at Birchwood Terrace from \$16.00 per day to \$20.00 per day. The Board received a letter from a Resident in Birchwood Terrace expressing the concern of full paying Residents in regard to this rate of increase. The Board has been granted from the beginning of Birchwood Terrace to use a rate lower than the actual per diem, as the Provincially owned building was only partially filled. The Ministry in granting this approval in April stated that the rate would have to be reviewed in October and April of next year. To pg. 7 ...
