Curling Comments

The Men's Semi-Annual Meeting was held on Monday, October 17th.

At that meeting the following decisions were made: The Men's membership will be \$45.00 per curler. Curling Club members must also be members of the Terrace Bay Recreation Association. Fees are payable to Membership Chairman Jack Chapman. (Cheques should be made out to Terrace Bay Curling Club).

Curlers will form their own teams. (Each team is expected to have a new curler).

Membership forms are included elsewhere in the paper and can be filled out for a whole team by Skip, or as individual entries in the Men's, or Couples in the Mixed.

Every effort will be made to place single entries or couples.

Men's curling will be split into two leagues similar to last year. This provided an opportunity for teams that only want to play one night per week to participate fully in one of the leagues.

Mixed curling will be on Friday night once again.

Curling will start early in November so ENTER NOW. Good Curling.
