MEMBERSHIP TEA IN BIRCHWOOD TERRACE

A Membership Tea in Birchwood Terrace launched the 1977-78 season on Saturday afternoon, for the Birchwood-Pinewood Auxiliary with a gratifying number attending.

Individual tables were gaily centred with late fall flowers and a delectable tray of goodies. Residents of Birchwood Terrace immensely enjoyed the company of the many tea guests, and served by an attentive group of Girl Guides. These young ladies were also kept busy assisting with wheelchairs and seating and generally brightening the occasion with their presence.

Tea prize of a colourful peper plant was won by Janet Fowler. A large number of lovely and varied potted plants given by Donna Josus, were drawn by members of the Girl Guides for presentation to home residents.

Visitors were amazed at the variety and quality of crafts made at Birchwood Terrace and which were displayed at a table presided over by Hilda Hiebert, craft instructor. Blanche Speck also displayed the colourful rug made by residents last winter and which will be raffled in December.

Tea Convenor was Donna Josus. Next meeting of the Auxiliary will be Wednesday, November 9th at 2:00 p.m. in Birchwood Terrace.
