PINEWOOD BIRCHWOOD AUXILIARY MEETING

Donna Josus chaired the November meeting of Pinewood Birchwood Auxiliary, welcoming the members present at Birchwood Terrace Wednesday afternoon. The successful Membership Tea was reviewed and letters of appreciation were to be sent to the Girl Guides and to the kitchen staff at Birchwood Terrace for their gracious assistance by Lil Christie, Corresponding Secretary.

A request for further plants for residents was presented by Mina Mahoney and she was assured those who had entered their name in the draw would receive one by Christmas. Donna Josus, whose project this was, was thanked and also for convening the Tea.

Beth MacAdam and Peggy Thompson offered to do the Christmas gift shopping for residents and would be assisted in wrapping by Alma Hart, May Dorland and Estelle Wallwin. Price per gift was established and these will be presented at the Home's Christmas Party. Mina Mahoney would endeavour to offer suggestions.

Volunteers for weekly shopping expeditions for residents was requested by the President who had initiated this project and been taken over by Staff members in her absence. Peggy Thompson, Audrey Hara, Mary Hale and Alma Hart offered to assist.

A motion to purchase a flowering plant for Christmas was made. Mina Mahoney discussed winter planting activities for the residents, but it was felt bulb planting would not be of sufficient interest. This topic would be referred to the Horticultural Society by May Dorland.

Estelle Wallwin gave the Sick and Visiting report listing cards sent out in October.

The only Christmas offer to date had been given in by Peter Vanderkam (cont'd page 5..)
