

SCHREIBER ARENA BUILDING FUND COMMITTEE

On Thursday, December 15, 1977 the committee met at the Lake Superior Public School Library to plan the strategy for canvassing the community.

Those there went through the 1976 voter's list and each took several people to contact for funds.

Each person will give a receipt for the funds received then turn these into the recreation or municipal office. From there all cheques and receipts will be cross checked and deposited with treasurer Aurel Gauthier.

An official receipt will then be issued to persons from the municipal office.

The canvassers will be contacting those names on their lists between Dec. 16, 1977 and the end of January 1978.

Senior Citizens and pensioners are NOT to be approached, however, if these people wish to donate they may do so at the municipal office.

A figure of \$300.00 is being asked for by each wage earner in the community.

It at the end of January the magic figure of \$268,188 has not been reached by the above method, then naturally we will be putting on many more money raising and ticket selling

drives.

Each person at the meeting was given facts and figures for the project, so they will be fully informed when canvassing.

The most important item to be kept in mind during this funding drive; "is Schreiber to have an arena in 1978-79 season OR 1979-80".

The fifty-fifty ticket draw will take place on Thursday, December 22, 1977 at the Junior Hockey Bingo.

Come Schreiber it can be done! We have to pull together as done in the years past when the Town was in need of things.
