

NORTHERN AFFAIRS: FROM pg. 4

If you require assistance in completing GIS forms, please contact the Northern Affairs Office.

All Northern Affairs Offices assist in completing the Ontario Property Tax credit section of the Income Tax form. If assistance is required please call on us. We will have to know what amount of taxes and/or rent you paid in 1977. In certain instances we will assist you with your income tax form, but only in cases where the tax return is nil, other than this, we suggest you consult someone who specializes in this service.

Those who are on premium assistance will be receiving or should be receiving new applications for premium assistance for OHIP'S fiscal year of 1978-79. These must be completed and returned to OHIP if you wish your coverage to continue beyond April 1. If not completed and returned, your coverage will lapse. The amount of premium assistance is based on your taxable income. The taxable income varies for single or family coverage.

For further information please contact the Northern Affairs office, located lower floor Peninsula Building, 2 Gilbert Street, Marathon, Ontario. Phone 229-1153.
