HOSPITAL NEWS

BAND AIDS ARE NOT ENOUGH

We hope everyone in our hospital area saw last week's "front page" news. Certainly something to cheer about!

You'll want to join with us in congratulating our Development Team - Jan McEwan, Rena McAdam, Paul Mathew, R. Wills, Dr. Adey, Dr. Croll, Dr. Wilkes, John Petersemyer (architect), Director of Nursing and our good friend Jack Stokes who joined them on occasions as a "pinch-hitter". They have worked hard; spent many frustrating hours in the hallowed halls of Queen's Park, meeting with directors and consultants; and revamping the plans to meet Government specifications.

If construction goes well, the new hospital should be ready for occupancy in September 1979.

To everyone who has believed in our project and helped financially, we say THANK YOU and hope you will continue to support us. To those who have been sceptical or lacking in faith and to those who told us we were losing our credibility, the invitation is still open - to "cross-over" to our side.

To use the slogan of a well known charitable organization - "We needed your help yesterday. How about a cheque today?"

In the past two and a half years we have raised \$350,000.00 (actual cash plus promised donations). This is half-way. In the next year and a half, the remaining half must be raised. Let's have 100% participation.

"NOW IS NOT THE TIME TO SAY NO"
