

MINOR HOCKEY

FACE MASKS MANDATORY

The wearing of full face protection will become mandatory in all league games of the North Shore Minor Hockey Association as of March 1st, 1978. This rule, passed at a recent meeting of the N.S.M.H.A. in Marathon, will apply to Minor Hockey players in Terrace Bay, Schreiber, Marathon and Manitowadge. A similar regulation had previously been adopted by the Terrace Bay Minor Hockey Association for all players under their jurisdiction.

The effectiveness of face protection in reducing serious injury, particularly blindness, has been well documented. Recent developments in face guards has resulted in this equipment receiving CSA approval and it is expected that full face protection will soon be required by all minor hockey organizations.
