

LOOKING BACK

25 YEARS AGO - FEBRUARY 5, 1953

Another "first" in the history of Terrace Bay will be recorded on Saturday, February 7th, when Mr. N. Linkwich opens his new movie house. This addition to our community will indeed be a welcome one as it means that the journey into Schreiber to see regular movie programmes will be no longer necessary. It will also mean the termination of the old 16 mm movie programmes in the South Camp Recreation Hall that have filled a great need since 1947.

AROUND THE TOWN: Isobelle and Malcolm Craig with their family left Terrace Bay last week to make their home in Fort William. Isobelle was guest of honour at a party in her home the previous Saturday when Mrs. Elva McMillan was hostess.
