What a shame.

He thought it was some sort of a game to claim a little more Unemployment Insurance than the law allowed.

Now he's in trouble. He didn't report earnings and work while getting UI.

"I mean, it was only a few bucks. You've got millions."

We don't have any money.

It all belongs to the people of Canada. And when you deliberately claim more than you're allowed by law, you're stealing from your neighbours, friends, fellow employees, employers and the Government of Canada.
