ARENA UPDATE -

Several canvassers are in a lot of areas going door to door asking for pledges/payroll/cash from the citizens. With one-half of the town finished we are half way to our objective of \$120,000 from the canvass.

The totals to the time of this writing are Pledges 27,245.00; Payroll Deductions 14,101.00; Cash 16,438.00 and this gives a total of 61,031.00.

There are a few more fund raising events being planned for the weeks ahead. To name a few possibilities - Beer Bash, Super Bingo and Walk-a-thon. Tickets are being printed now to go on sale next week for a new car. Mr. Mills is looking after this. While on the subject of fund raising if there are individuals, groups, organizations wishing to put on drives for funds please feel free to do so. All the fund raising committee asks is that they have knowledge of them so that there is no duplication and we can point prospective customers your way. Our buttons should be here shortly and will go on sale immediately upon arrival. A list of contributors to the Arena (Phase 1) is up in Filane's Variety Store.
