

Roman Catholic Separate School Board

The regular meeting of The North of Superior District Roman Catholic Separate School Board was held in St. Martin School, Terrace Bay, 1978 04 15 and opened with prayer.

Mr. Speziale, Principal of St. Martin School, gave a most interesting presentation on the professional development of Principals in our system. This program, which involved three sessions, has taken place over a two-year period. High priority items were the role of the Catholic Principal as a leader and curriculum development in the school. All

indications are that the sessions have been most beneficial and the program a great success.

Motions were passed approving: - the minutes of Regular Board Meeting No. 3/78 held 1978 03 18; - the statement of accounts for the month of March, 1978; - the statement of capital account re: St. Hilary School for the period January - March, 1978.

The Staffing Proposal for 1978-79, as submitted by the Director of Education, was approved at the Board meeting held 1978 03 18.
