Plan on Building This Year?  
**CHOOSE A PRECISION BUILT HOME**  
 ....**SAVE TIME AND MONEY**

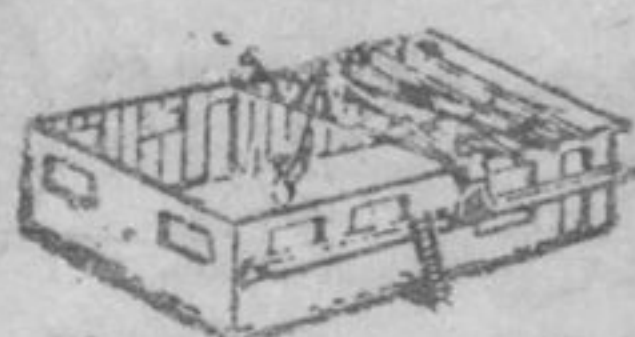

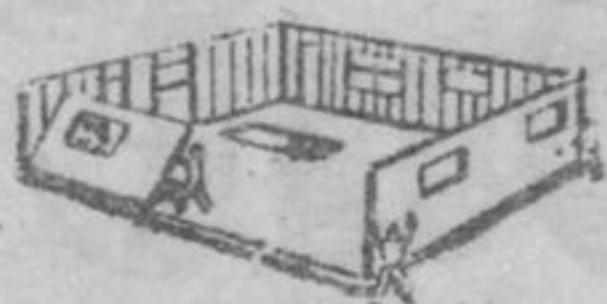

No Matter what type of home you may be planning to build it will pay you to check the many advantages of PRECISION BUILT pre-fabbed construction. Almost any home plan can be adapted to this simplified method of home building PRECISION BUILT construction.

is flexible and engineered for sturdy assembly either by the Do-It-Yourselfer who wants to build his own home or have it built for him. All PRECISION BUILT kits are designed to reduce labour costs by permitting you to complete as much of your own home as you wish. Build faster - eliminate costly errors and time consuming cutting and fitting on the job by having your new home PRECISION BUILT.

## BUILD THIS EASIER WAY:

Precision - Built wall panels are preconstructed for you in our plant, saving you time, money and waste.

You simply assemble the wall panels over your sub - floorings, guided by our supervisor.

Roof trusses, gable ends and cornices are pre built too, for quick, accurate assembly.
