

## TODAY'S CHILD

BY HELEN ALLEN

THE TORONTO SUN SYNDICATE

Ted is a pleasant 10-year-old with a lively curiosity, a good sense of humor and many interests. Adults find him good company.

Strong, active Ted likes the outdoors. He is keen on skating and swimming and has started skiing. He plays chess, enjoys music and is learning to play the electric organ.

Though Ted is doing well in Grade 4 with consistently good marks, he is not enthusiastic about school. He may lose interest later on or with interest and encouragement from adopting parents he may well develop the urge to continue his education.

Ted gets on well with children of all ages and is inclined to look up to and admire teenagers. Therefore it is hoped there will be an older brother or sister or both in his adopting family. He needs parents who can combine warmth and firmness.

To inquire about adopting Ted, please write to Today's Child, Ministry of Community and Social Services, Box 888, Station K, Toronto M4P 2H2. In your letter tell something of your present family and your way of life.

For general information about adoption contact your local Children's Aid Society.
