

Schreiber Parks and Recreation

SUMMER GRANTS: Two grants have been received by the Schreiber Parks and Recreation Department from Young Canada Works for \$8,450.00 and Experience '78 Program 0701 for \$3,187.00. Unfortunately due to the above granted amounts we will not be employing as many persons as we had hoped for the summer.

CHINESE COOKING: Reminder that this program begins in two and one-half weeks at the Town Hall from 7-10 p.m. Those not registered please come to the recreation office before Friday, May 26, 1978.

MINOR BASEBALL: The recreation office is considering the organization of minor baseball for boys and girls this summer. However, before this is done we will need coaches, umpires for each division and team. If you are interested please contact the recreation office and leave your name and phone number. Age levels being considered are 5-16 years.

SUMMER PROGRAMS: The time is quickly coming when registration for learn-to-swim, playground, tennis, wilderness and others will need to be done. Further information and plans develop. For swimming please know what level your child/children were in last year successful or not; this will greatly assist us at the time of registration.

ARENA UPDATE: The total to this writing is \$89,000.00. In the last week or so we have received donations of \$1,100.00 from Bell Canada, \$700.00 from the Bank of Montreal, \$500.00 from the Schreiber Kinette Club. Tickets are being sold on a 1978 Chevette Scooter by Mr. Roy Mills, co-ordinator, recreation office, members of the ringette team, or members of the building fund committee. We have requested that Mr. Bill Tetly, former Canadian Brier Champion and Canada's representative in the World Curing Championship's, to be a guest speaker at a banquet in June. More information in this column when we hear back from Mr. Tetly.

We are working in co-operation with a brewery at this time to obtain N.H.L. players, again as further developments are confirmed the public will be made fully aware.

These are made public to inform the citizens that work is being done behind the scenes on other fund raising events and we are not relying solely on the door to door canvas.

Have you a fund raising scheme? Get started on it, all we ask is that you inform us so there will be no duplication.
