The Sunday School children of the Community Church prepared and baked a very special cake which they served to their mothers on Mother's Day. The ingredients were very unusual, and required a great deal of thumbing through the bible for clarification. The children came to realize that the food eaten in biblical times was not too different than what we find in our cupboards today. The recipe is as follows:

| 2 c. Jeremiah 6:20 (sugar)                             | 2 c. 11 Samuel 16:1B (raisins)                   |

**LEGION RUN-A-LAP**

The Legion Run-a-Lap which was held on Saturday, May 13, 1978 was a huge success. Forty children participated and even though the weather man didn't co-operate, the children were able to complete their one hour lap time.

A crowd gathered to watch the event and some mothers and fathers helped as race judges and also the energetically inclined did a few laps to encourage the tired youngsters.

The Youth Incorporated Group were a great help as race judges and moral boosters to their little friends. It did the heart good to see the two age groups enjoying one another's fun and joking.

Many names have been entered for the camps already, with it seems the Equestrian Camp taking top choice with the Track and Field Camp with the children of Terrace Bay.

More news of the Run-a-Lap to follow as results are tallied. This camp is The Royal Canadian Legions 16th annual Athletic Camp at the International Peace Gardens in August, 1978.
