Lake Superior Public School, Terrace Bay Campus, observed Education Week, April 16 - 20th, by inviting parents to sit in on the classes throughout the day on April 19th. Classes were conducted as usual and parents were able to see their youngsters in the normal curriculum.

Grades 5 and 6 presented a display of various cultures, using audio visual aids and preparing booths to demonstrate each country and its customs. The theme was the diverse backgrounds of Canadian students.

Photo below by Bev Cadene shows Janet Chapple and Marianne Kostiuk (on right) with display of flags of various countries.
