HOCKEY

TERRACE BAY MINOR HOCKEY NEWS:

Due to an extremely poor turnout for the Annual Meeting on May 17th, a second meeting has been scheduled for Wednesday, June 7th, at 7:00 p.m., in the Conference Room of the Recreation Centre. This meeting is open to all parents or interested parties. The past season's activities will be reviewed and the Election of Officers for the coming season will take place.

It is discouraging to note that although approximately 110 boys were registered during the past season, only six people were in attendance, making it necessary to call this second meeting.

We consider our past year to have been very successful and feel that Minor Hockey is a very important activity for the young boys of our community. If you agree, come out to the meeting, voice your opinion as to how our Association may be improved, and be prepared to assist.

Many of last year's executive members have agreed to stand for re-election, more are needed. Surely 1-2 hours of your time to attend one meeting per year is not too much to ask of you as a parent.
