

Attention Community Groups and Organizations

Look how Canada Works works for us.

Rescue unit formed by Canada Works project.

Our children on trail of nature.

New jobs. And a better place to live. Canada Works, a Federal Government job creation program, has done it before and Canada Works can do it again.

Get your group to agree on a project you can all support. Most importantly, it must make use of and improve the skills of unemployed people in your area, create at least 3 new jobs, and make for community benefits that last.

Complete your application carefully and on time.

If your idea is good enough, Canada Works may be able to contribute to the necessary funding.

To apply, just go to your closest Canada Manpower Centre/Canada Employment Centre or Job Creation Branch Office. Pick up the application form and the "Guide to Applicants."

Canada Works is for your community. Your province. Your country. For all of us. So let's get working on some new ideas.

Future looks good in job training class.
