BOARD MEETING

The regular meeting of The North of Superior District R.C. S.S. Board held Saturday, May 13, 1978, opened with prayer.

Approval was given to the minutes of Board Meeting No. 4/78 held April 15, 1978, and to the Statement of Accounts for the month of April, 1978.

The Ministry of Education had advised that no capital funds for 1978 have been allotted to this board. With regard to the submission for a Gym for Holy Angles School, the Board agreed that the Regional Director of Education, Ministry of Education, Thunder Bay, should be contacted as a first step in resolving the matter.

Following a discussion on vandalism and motorized vehicles on school property, it was decided that policy would be established prohibiting the use of motorized vehicles on school property and a warning that acts of vandalism will be prosecuted. Once policy is established, signs will be posted on the school grounds to this effect.

A motion was passed accepting the school year calendars for 1978-79 under the provisos that the number of professional activity days be reduced to 8, the use of these days emphasize professional development, and that no professional activity days be used for parent-teacher interviews.

The next regular meeting of the Board will be held on Sat. June 17, 1978 in St. Brigid School, Nakina.
