A "LOOK INSIDE THE NEW McCAUSLAND HOSPITAL:

This week the shaded area labelled 1 will be explained. Diagram page 2. This area has not been blocked into smaller areas because of the limited space. Starting at the top - adjacent to the general waiting room will be the "Tuck Shop" - run by the Auxiliary to the McCausland Hospital. Moving downward there are two rooms (side by side), a reception room, entered from the corridor and from this an office.

Moving down from these two areas is a larger area - which is entered from the first reception room. This room may be used as an office and also as a general meeting room because of its design.

The following are part of the emergency department and have these departments -
