

**NORTH SHORE BRIDGE CLUB**

Sunday, May 28th, results in the North Shore Bridge Club, were as follows: first - K. Heckley and P. Gillen; second - T. and D. Conklin; third - B. and G. Lapenskie.

The FINAL session for the season was held on Sunday evening. Since only eight players attended, contract bridge was played. Winners were T. and D. Conklin 5460 points; runners-up were P. and I. Gillen with 5050 points.

The club members bid farewell to the Conklins, who will be leaving our area in the near future. We have appreciated their help throughout the year in bringing many new faces to join us. They will be missed by the club for their avid enthusiasm.

Bridge will resume with a social evening early in September. Now's the time for all you bridge players to think about joining us when we are all new to the game of duplicate bridge. Our thanks go to Sister Marvel for the use of Holy Angels School each week. Any inquiries about the club may be directed to Keith Heckley 825-9055.
