

RECREATION REPORT: Continued from page 2 ...

On Tuesday, August 8th, children age 9 - 12 are encouraged to attend a hike-picnic affair which will be conducted at the Terrace Bay beach area. Children are asked to bring their own lunches. The snacks will be provided by the Summer Programme. This trip will be leaving the arena at 10:00 a.m., weather permitting.

The camping trip involving the Marathon and Terrace Bay Recreation Departments is in the final planning stage. Anyone interested in going on this trip (August 23rd, 24th and 25th) is asked to submit their names to the Recreation Office or any Playground leader before August 18th.

No Man's Tot Lot will be in full operation 1:00 p.m. to 5:00 p.m. every Wednesday afternoon. This new Tot Lot, located between 571 and 572 Lakeview Drive, will be serviced by the portable trailer unit. Parents are urged to get their children out to any one of the Tot Lot areas being run on a daily basis.

The first half of the Summer Programme has been well attended, particularly the Tot Lot programmes. The indoor gym activities for the youth and adults have also proven to be very popular and we hope for continued success during the month of August.
