HOSPITAL NEWS: Continued

And finally to Laura Legault in the Hospital's Administration Office who has kept track of all nickels, dimes, pennies and thousand dollar cheques; issued receipts and thank you notes. For all these "picky-jobs" my sincere thanks.

To the Hospital Board and all friends and neighbours; to everyone in our hospital area - my thanks and best wishes as you move into the final phases of "Project Hospital".

Sincerely
 Margaret Puttock

ARTHRITIS SOCIETY:

The race of mankind would perish did they cease to aid each other. We cannot exist without mutual help. All, therefore, that need aid have a right to ask it from their fellowmen; and no one who has the power of granting can refuse it without guilt.

-Sir Walter Scott

September is Arthritis Month. Once more canvassers will be around collecting for the Arthritis Society. Your contribution is tax deductible. Make sure the canvasser who approaches you has proper identification and carries an official receipt book. A receipt will be given to you at the time you make your contribution.

Mr. Ernie Kettle is now chairman of the local Arthritis Society and will have the Arthritis Society's In Memoriam Cards.

My thanks to all for the help so willingly given over the past year and a half.

Question of the Month:

I have arthritis. Should I see a specialist in arthritic disease?

Answer - No. Your first line of communication must be through your family physician who will make the proper diagnosis and refer you on if it is felt that further consultation is necessary.

Good Luck.

Margaret Puttock.

The Arthritis Society has set a target of \$1,600,000 for its 1978 Ontario Fund raising campaign, Ian Macintosh, Ontario Division President, announced recently.

In this area the objective is \$2,484.00. Campaign Chairman in Terrace Bay is Mrs. Corrie Haas, in Schreiber, Mrs. Dorothy Rummery, and in Rosspport Mr. Ray Kenney. Campaign Dates are September 18th to September 30th.

The money will be used in the Society's programs of research and education. The Society's five year plan calls for the doubling of Rheumatologists, specialists in arthritis, in Canada.

Canada is considered to be among the world leaders in arthritis control, and the Society's programs are aimed at maintaining that position.

For further information about arthritis, write for their new pamphlets... "The Truth About Aspirin and Arthritis" and "The Truth About Diet and Arthritis"... To: The Arthritis Society, 920 Yonge Street, Suite 420, Toronto, Ontario M4W 3J7

One in 20 Canadians suffer from arthritis according to The Arthritis Society.
