

Sports Travelcade - continued from page 9 ..

Terrace Bay in conjunction with the Sports Travelcade.

There is no charge for the clinic and will involve player skills, coaching and officiating tips.

WINTARIO GRANTS

Clubs, organizations would be eligible for Wintario funding on sports equipment or other areas.

We have information that could be valuable to you; give the Recreation Office a call or drop in and see us, we may be able to assist.

WINTER ACTIVITIES

Many young people have been asking the Recreation Office if there will be Minor and Junior Hockey, Figure Skating, Ringette, etc; this winter.

For the hockey part my understanding at this writing is ice time has been arranged for, verbally, at Terrace Bay. A meeting with the figure skaters and ringette people indicate that they also, would book ice in Terrace Bay.

So, if we are unable to open the existing arena, these steps are taken care of, now.

ARENA UPDATE

In the last newsletter one paragraph on the old arena may give some the thoughts that money will be put into the facility for repair.

This is not the case, what was meant is, we felt that to repair the structure it would take at least \$300,000. and this is what the Enriched Wintario Grant should be based upon, not \$120,000.

The total raised publicly now, is at \$110,203.00. The new preliminary drawings from Gateway Builders have been received, anyone wishing to see these drop into the Recreation Office.

There is a new total on the July 1st Dance, \$2038.46, a \$400.00 donation from the Whistle Stop Lounge to pay for the band.

FITNESS TRAIL GRANT

The grant from the Ministry of Community and Social Services - Regional Childrens Services Branch for \$5,800.00.

The Schreiber Kinsmen Club have put their support behind the project and we will try to develop the trail with a park. Hopefully, this will begin very shortly.

PLAYGROUNDS

This program also, came to a close on Friday, August 11 with a very entertaining series of skits put on by the playground people.

In the coming years we can only go upward with this program as the response was very good.

The younger group also, did a tour of the Post Office, which was very interesting.

CURLING CLUB

Mentioned in last week's column, was that there had been a change in the Wintario criteria pertaining to the club turning over the facility to the Township.

The cut off date for applications was August 1, 1978. This is a definite deadline, what is not official is the criteria or guidelines governing such cases.

The official word is being printed now, in Toronto, and will be available by the months end.

In other words the future does not look bright for the way that was being pursued by us.

A meeting will be arranged with the Curling Club, Council to discuss further prospects.

BOXING RING

Do you know where the boxing ring, that we had a few years back, would be located?

Call the Recreation Office if you have some information on this; 824-2317.

SILVER ANNIVERSARY CELEBRATED

Around two hundred guests, relatives and friends gathered Saturday evening in the community hall to honour Mr. and Mrs. Romeo Bouchard on their silver anniversary of their marriage. They came from Toronto, Sudbury, North Bay, Wawa, Terrace Bay, Schreiber, Rosspport, Thunder Bay and Vancouver, B.C.

Upon entering the hall a corsage of pink carnations was pinned on Mrs. Bouchard by her daughter Terryanne and a boutonniere on Romeo by Lester Legault. The hall was decorated in silver and white streamers and bells. Immediately following greetings, a buffet dinner was enjoyed.

The head table was decorated in silver, centered with a silver bowl of carnations and fern offset by silver candles. Mr. and Mrs. Bouchard had all the family home for the happy occasion.

Sitting at the head table with their parents were Shirley Bouchard, Vancouver; Robert from Marathon; Tommy from Thunder Bay; Alice Bouchard Ray of Schreiber; Anita and Terryanne at home. Their son Tommy was master of ceremonies and introduced the members of the immediate family as well as relatives from distant points.

On behalf of relatives and friends a money tree was presented to Cathy and Romeo by Eugene Gerow. The cake was made and decorated by Mrs. Betty Huard of Schreiber. Dancing was to the Teen Club's record and tape system. Hostess for the event was Mrs. Doris Legault and assisting here were Patsey Campbell, Devona Leisander, Lorraine Seppala, Fern Luke, Beverly Legault, Diane Pyhtila, Laura Legault and Cathy Gerow. George Watts of London, Ont. has arrived to holiday with his sister and brother-in-law Agnes and Felix Legault.

Miss Shirley Bouchard and fiance Robert Henry of Vancouver are holidaying with her parents Mr. and Mrs. Romeo Bouchard and other relatives in the area, while Mrs. Audrey Nicol had her nephew Francis Klien and family of Sault Ste. Marie and her son Andre and family of Thunder Bay with her at their summer camp as well as her daughter Simone MacCormack and family from Thunder Bay enroute to holiday in the Maritime Provinces.

Mr. and Mrs. Paddy Risk of Nipigon renewed acquaintances here this week. Mrs. Risk is the former Elizabeth Link who was raised here and attended public school here. She found many changes in the village.
