Rheumatoid arthritis may involve any of the joints, but most usually it affects hands, wrists, feet, elbows and knees. The onset of the disease may be sudden, but usually it develops slowly. Not only do the joints become swollen, stiff, warm and painful, but the patient feels tired and ill. He may run a slight fever, lose weight and become anaemic. The disease affects the body as a whole.

### SCHREIBER

Schreiber Council are hoping to start water and sewer lines on Peary and Langworthy Streets this week and are only waiting for final Ministry of the Environment consent. The material is on hand and money for this project was given through the Ministry of Northern Affairs in the amount of \$106,000.00.

It is also the intention of Council to proceed with water and sewer on Langworthy west of Peary having set aside some monies for this in the budget.

Council also have approval from MTC for Storm Sewers on Bayview and Winnipeg extension for \$40,000 subsidy. Clear title to the roads from Marathon Realty is required before this subsidy will be paid. The total cost of the project will be just over \$100,000.00 counting Engineering fees.

Anyone who would be willing to serve on the Cemetery Board are asked to give their name to the Clerk.

A program to repair some of the sidewalks in town has started with as much as possible being done this year.

Mr. Reg Yates has been given the contract to pick up the Township garbage while the Municipalities of Scheriber and Terrace Bay will jointly look after the Landfill Site.

Latest work on the Senior Citizens Apartments is that construction will start about the middle of September.

There is no generation gap when it comes to arthritis. It affects people of all ages. Arthritis is anybody's illness. The Arthritis Society reminds you that if it hurts, see your doctor for help.
