HOME FOR AGED BOARD MEETING

The regular monthly meeting of the Board of Management of the District of Thunder Bay Home for the Aged was held at Pinewood Court on Friday, August 25th, 1978.

Accounts for Pinewood Court and Birchwood Terrace totalling \$106,450.93 were passed for payment. Five new residents were approved for admission and one for Vacation Care. This brings the waiting list at Pinewood Court to fourteen with a further number of applications being processed.

The Board spent considerable time reviewing the work that has been done on future planning and, this will be a continuing process gathering facts and figures. Hoping in the end to arrive at the best plan for the Seniors that are in need of care.

The Board also dealt with a copy of a letter received by the Administrator from Mr. W. O'Neill, Senior Consultant Hospital Administration, Northern Area, Institutional Branch to the Chairman of the Board of McCausland Hospital, Mrs. J.I. McEwen for Terrace Bay. The letter dealt with the possible intergration of services between the Hospital Board and the Home for the Aged Board with the completion of the new Hospital. Mr. O'Neill will be meeting with the Hospital Board on September 27th, 1978.
