

RECREATION REPORT: Continued**BADMINTON CLINIC:**

The Ontario Badminton Association and the Terrace Bay Recreation Department will sponsor an adult Badminton clinic in Terrace Bay on September 9th. This clinic will include fundamentals, game strategies and rules of Badminton. The clinic will be conducted by a qualified instructor and we encourage any adult players (16 years of age and over) to contact the Recreation Office at 3542 and leave your name as soon as possible. There is no charge for this clinic.

CYCLING CLINIC:

Bob Zeller of the Ontario Cycling Association will be in Terrace Bay on Saturday and Sunday, September 9th and 10th, to operate a Cycling Clinic. The clinic will include a session on Saturday morning from 9 to 12 noon on mechanics of bicycles, adjustments, basic riding and what bike riding can lead to. Statistics have proven that after a person has taken this portion of the clinic, they will be a 60% safer rider.

We hope to operate a Saturday afternoon session in advanced cycling, including racing and touring. On Sunday, a short informal bike tour will be arranged with participants of the clinic. This clinic is open to all bike riders and we would hope you will register your name at the Recreation Office as soon as possible.

MEN'S ANNUAL FASTBALL CHAMPIONSHIP:

Five Terrace Bay teams competed in the championship with the 1978 winners being the Shift 2 Papermakers led by their coach Bob Weaver. Over the two days, the Papermakers won three straight games. The final game was won the Papermakers over the Greenbacks 11-7. Other teams competing were the Beavers of the Technical Department, the Terrors and the Red Dog Inn team. On behalf of the Terrace Bay Fastball League, we would like to thank all persons who volunteered to umpire and help to put the field in shape for the weekend. This league has enjoyed a very successful season and plans are already underway for next season's play.

COMING EVENTS:

Thursday, September 14th - Meeting of Pinewood-Birchwood Auxiliary, 7:30 p.m. at Birchwood Terrace.

CARLTON SHOW BAND COMING TO TERRACE BAY SEPTEMBER 22ND:

The very popular and well-known Carlton Show Band is appearing in Terrace Bay on September 22nd at the arena. There will be a show followed by a dance. Please refer to page 6 for full details.

INSTRUMENTAL MUSIC

Instrumental Music Instruction will re-commence in Schreiber and Terrace Bay in early October. For people interested in learning to play a musical instrument or improving upon their musical ability, this idea should appeal to them.

Instruction will be offered again in Brass instruments such as trumpet, french horn, trombone, tuba; Woodwinds such as flute, clarinet and saxophone; drums; and violin (other instruments not mentioned would be by special arrangement). Students receive class instruction in their particular instrument and as students advance, these classes will combine into a small

band (orchestra). Returning students will continue separately from beginners in one group as much as possible. These classes will also include music appreciation and music theory. Classes are open to any age and any level.

Classes will be held once a week on Monday nights at times to be announced. The cost per student per night will be \$6.00 (provided that there are 12 students minimum enrolled in the course). Instruments will be available to students on a rental - purchase plan. There will be approximately 30 classes (weeks) of instructions starting in the first part of October and continuing until late May or early June.

The instructor will be Arthur Lapp, Bachelor of Music Education, from Thunder Bay who is presently principal tubaist with the Thunder Bay Symphony Orchestra, part-time instructor of piano and music history at Lakehead University as well as a teacher of private piano in Thunder Bay. He has taught music classes such as these in Marathon for the past three years and initiated instrumental music courses and private piano and theory last year in Nipigon-Red Rock and Schreiber-Terrace Bay, and found them to be well received by both students and community.

Mr. Lapp will also be available to teach private piano (beginner to Grade 8 level) and theory of music.

The first meeting will be held on Monday, September 18th at St. Martin Separate School in Terrace Bay at 7 p.m. Beginning and returning instrumental and piano students please attend.

For further details phone 815-9048.

THE LAKE SUPERIOR BOARD OF EDUCATION NIGHT SCHOOL COURSES

AN OPPORTUNITY TO DO SOMETHING FOR YOURSELF AND FOR YOUR COMMUNITY!!
