

INSTRUMENTAL MUSIC

Instrumental Music Instruction will re-commence in Schreiber and Terrace Bay in early October. For people interested in learning to play a musical instrument or improving upon their musical ability, this idea should appeal to them.

Instruction will be offered in Brass instruments such as trumpet, french horn, trombone, tuba; Woodwinds such as flute, clarinet and saxophone; drums; and violin (other instruments not mentioned would be by special arrangement). Students receive class instruction in their particular instrument and as students advance, these classes will combine into a small band (orchestra). Returning students will continue separately from beginners in one group as much as possible. These classes will also include music appreciation and music theory. Classes are open to any age and any level.

Classes will be held once a week on Monday nights at times to be announced. The cost per student per night will be \$6.00 (provided that there are 12 students minimum enrolled in the course). Instruments will be available to students on a rental - purchase plan. There will be approximately 30 classes (weeks of instructions starting in the first part of October and continuing until late May or early June.

The instructor will be Arthur Lapp, Bachelor of Music Education, from Thunder Bay who is presently principal tubaist with the Thunder Bay Symphony Orchestra, part-time instructor of piano and music history at Lakehead University as well as a teacher of private piano in Thunder Bay. He has taught music classes such as these in Marathon for the past three years and initiated instrumental music courses and private piano and theory last year in Nipigon-Red Rock and Schreiber-Terrace Bay, and found them to be well received by both students and community.

Mr. Lapp will also be available to teach private piano (beginner to Grade 8 level) and theory of music.

The second meeting will be held on September 25th at 7 p.m. in St. Martin Separate School in Terrace Bay. Beginning a and returning instrumental and piano students please attend.

For further details phone 815-9048 or contact Betty Hanley at 825-9048.
