## COUNTDOWN TO CURLING

Why not get involved in an active sport this winter. Try curling. It's a game for all ages. Watch for further details next week.

The Ontario Cycling Association, in conjunction with the Terrace Bay Recreation Department, staged a very successful weekend cycling clinic during the weekend of September 9th and 10th.

By sponsoring clinics of this nature, the O.C.A. hopes to generate more enthusiasm for the fine sport of cycling in Northern Ontario and to teach proper riding techniques and mechanical repairs.

Bob Zeller of the O.C.A., during the four clinics, instructed the sixty participants in the mechanics of bicycles, adjustments and preparation, basic riding, touring techniques and safety measures. A short, informal bike tour of Schreiber gave participants a taste of touring.

Though highway 17 has few paved shoulders and the traffic can be thick and fast, the course teaches cyclists to ride out one meter from the shoulder, thereby forcing motorists to pass properly, rather than squeezing through a gap. Also, the fantastic scenery of the area more than compensates for this disadvantage.

Participants of the clinic came away with a much greater respect for their bikes and for the sport itself, and a proposed cycling club is being organized. Anyone interested can contact Barclay Mayhew, John Fowles or Bev Cadene.

Karin Lundberg and Fay Meeson of Toronto were recent visitors at the home of Karin's parents Mr. and Mrs. S. Lundberg of 160 Birch Crescent. While in the area, the girls spent a few days visiting relatives in Thunder Bay and enjoyed a tour of Terrace Bay's mill.
