

Warning A Friend

"I'd like to bring Stewart home to dinner tonight," the husband told his wife over the telephone.

"Dinner tonight!" she screamed. "You're crazy. The cook just left, I've got the flu, the baby's cutting teeth, the air conditioner is broken and the grocery store has cut off our credit."

"I know all that," the husband replied. "But Stewart is thinking about getting married and I want him to see what home life is all about."

For Appearances

"Do you mind if I walk with you while you take the garbage cans out, dear?" the wife queried.

"Why do you want to do that?"

"I just want the neighbors to know that we go out together every once in a while!"
