THE NEXT ELECTION...

**for municipal councils and school boards
will be three weeks early this year.
It will take place throughout Ontario
on Monday, November 13, 1978.**

This earlier date means that the time available for enumeration and the preparation of the Preliminary List of Electors was shorter than it has been in the past. Also, the time allowed for the Municipal Clerk to revise the list has been cut back as well.

To make certain that you get your vote on November 13 in the correct poll, please be sure to go and check the Preliminary Lists of Electors which the Municipal Clerk will be posting soon. Watch your newspaper for an advertisement telling you where and when the Lists will be available for revision.

Separate School supporters should also make a point of checking the lists. The way you are shown will not only determine which school trustees you can vote for, but may also affect the direction of the education part of your property tax in 1979.

The municipal clerk has a list of people entitled to direct school taxes and this list can be revised up to Friday, October 27, 1978. There will be an advertisement in your newspaper informing you where and when this list can be inspected.
